Extreme poverty affects thousands of individuals in Illinois House District 35

In Illinois House District 35, 7,736 people are living in poverty. 3,171 of these individuals are living in extreme poverty.1

In Illinois House District 35, 5,965 adults age 18-64 rely on Medicaid, which no longer provides them with critical dental services.3

In Illinois, approximately 14,144 Illinoisans were homeless at least one night in 2012, including 1,905 families.5

In Illinois House District 35, 1,831 people lack affordable housing, meaning they pay more than 50% of their income toward housing.4

In Illinois House District 35, 23,342 private sector workers do not have access to an employment based retirement savings program.6

According to federal guidelines, families are considered to be living in poverty when their yearly income falls below the Federal Poverty Threshold.

In Illinois, 1.85 million residents are living in poverty. At least 820,000 are living in extreme poverty.

Poverty deprives your constituents of their dignity and undermines their basic human rights. Together we can work to end poverty in Illinois.

1, 2, 3, 4. Social IMPACT Research Center's Analysis of the U.S. Census Bureau's 2008-2012 American Community Survey 5-year estimates.
Extreme Poverty in Illinois House District 84

According to federal guidelines, families are considered to be living in poverty when their yearly income falls below the Federal Poverty Threshold.

In Illinois, 1.85 million residents are living in poverty. At least 820,000 are living in extreme poverty.

Poverty deprives your constituents of their dignity and undermines their basic human rights. Together we can work to end poverty in Illinois.
